and full of facts.'"

Letters TO THE Editor

ALOHA FROM SUNNY KANSAS CITY!
THIS ISSUE HAS TAKEN A WHILE BUT
DUE TO A NEW TECHNOLOGY, I AM NOW
ABLE TO PUT MORE DETAIL IN MY
COMICS. NOT THAT YOU WOULD NOTICE.
AND NOW TO THE MAILBAG!

Hey Jimmy! (Ed) THANK YOU SO MUCH FOR THE TO
ROBBING 2 BANKS thing. I thoroughly enjoyed it as
humor & reminiscence to your humor. You must have
bought another Lemonheads video, for Kristine Barrett
still has your stuff that you let me borrow (sorry...).
I say you do something, like find out her address &
make threats pertaining to your Lemonheads memorabilia's
return, or next time you see her at school, punch her
in the head. (etc, etc) Anyways, please continue your
publication.... I especially like the odd humor of
"Fuzzy", the humor of the "Nick Brown" cartoon &
its resemblance to the actual character. But please
include interperatation for "Unsere Band" unless you
want to piss me off with cluelessness! See you
next Christmas @ the vets home... love, Travis Mullen

Thanks for the suggestions about how to deal with
Kristine. As for the "Unsere Band" comic, I soon will
be releasing a German version of Skeleton Boy comics
in which Unsere Band will be in English. You may have
to get it imported, however, as it will only be released
in Holland. - Jim (Ed)
